

THOUGHT TO THOUGHT?  
SCRIPTURE REFERENCES COMPARED KJV/NIV  
By Robert C. Frey

The following is a very small sample of the reasons to use an Authorized King James Version (KJV) of the Bible. The “New” versions including the NIV, NASB, Living, etc. etc. are based upon an Eclectic (pick and choose) Greek manuscript that Wescott and Hort, of Cambridge, assembled in the late 1800’s from up to four manuscripts originating in Alexandria Egypt. The New Testament church had never received this new text until the very late 1800’s. The NIV is an accurate version intent of this new manuscript, however there are more than 84,000 words missing and over 5,000 doctrines in contradiction, changed or deleted because of the new manuscript. The Greek manuscripts the church had been receiving up to this time was the Majority Text or the Byzantine Family text that the KJV is translated from. Of the over 87,000 fragments (quotations, phrases, writings, lessons etc.) of texts found in the early churches, 100% has been of the Byzantine Family text. The Authorized King James Version is based upon a Formal Equivalency method of translation, meaning that a Greek word has been given an equal English word. The “New” translations are based upon a Dynamic Equivalency method of translation, meaning that since we do not know exactly what the original word of God is, the meaning (or interpretation) of the Greek words are expressed by the translator(s) in English. The New King James Version NT is translated from the Byzantine Family, but is not using the personal pronouns and other reading helps found only in the Victorian type English. The New King James Version also uses the ben Asher Family OT manuscripts originating from Spain which has been rejected by Israel because of its inaccuracies. The KJV is translated from the ben Chayyim Family manuscripts that Israel still uses and universally accepts as the Words of God. It seems that the stumbling block in this issue is the “King James Only” argument, that is only one of the Devil’s cunningly devised fables (2 Peter 1:16) of which there are several. The real issues are the source of the manuscripts being translated and the method of translation. How can you know what the word of God means if you don’t know what it says? Compare the following verses using the KJV and the NIV. The same can be used with virtually any of the “New” translations, obviously with variations, since they are translated from an eclectic manuscript with thousands of words missing, the variations between translations even amongst themselves is quite vast. The NASB has placed brackets around the verses they claim should not be included, and italicize words only for emphasis of the Dynamic Equivalence (see Jn 5:29). There are 84,098 words missing from the NIV New Testament alone, and approximately 5,000 doctrines changed.

Another helpful hint when reading the KJV is to keep in mind the difference between singular and plural in the personal pronouns. Ye, you, and your start with a "Y" and are **plural**. Thee, thy, and thou start with a "T" and are **singular**. This is important when studying the Bible for doctrinal truths. Can you see the difference it makes in John 3:7? (Hint – the doctrine of tricotomy: body, soul & spirit, all three need to be alive).

The Webster dictionary defines "teaching" merely as "that which is taught" and "doctrine" is tenacious "accepted as authoritative ... dogmas that are true and beyond dispute". Timothy, under the inspiration of the Holy Spirit warned us when he wrote in 2 Tim 4:3 – For the time will come when they will not endure sound **doctrine**; but after their own lusts shall they heap to themselves **teachers** ...

2 Thes 2:2-3 – That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand. Let no man deceive you by **any** means; for that day shall not come, except there come the falling away first, and that man of sin be revealed, the son of perdition. (This whole thing is prophesied to occur world wide – the manuscripts have been changed).

Rev 22:18-19 – For I testify unto every man that heareth the words of the prophecy of this book, If any man shall add unto these things, God shall add unto him the plagues that are written in this book; And if any man shall take away from the **words** of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book. Do you believe in the Bible enough to have it change your life, or how much do you want taken from you in the holy city? Is it worth it to use versions titled as a "Holy Bible" translated from corrupted manuscripts? Only you are accountable, blame shifting won't change the Lord's mind or Word. Who changed the truth of God into a lie – Romans 1:25.

**Professor Brooke Foss Westcott, co-worker with Professor Anthony Hort (both of Cambridge) who created the new Greek Text for the RSV, NIV, NASB, and other contemporary “Bibles” quoted in 1890:**

**“No one now, I suppose, believes that the first three chapters of Genesis, for example, give a literal history. I could never understand how anyone reading them with open eyes could think they did.”**

**Westcott op. cit. Vol. 2, p. 69**

**Professor Anthony Hort, co-worker with Professor Brooke Westcott (both of Cambridge) who created the new Greek Text for the NIV, NASB, and other contemporary “Bibles” states:**

**“WHATEVER PEOPLE MAY SAY TO THE CONTRARY, THE AMERICAN EMPIRE IS A STANDING MENACE TO THE WHOLE CIVILIZATION OF EUROPE, AND SOONER OR LATER ONE OR THE OTHER MUST PERISH... SURELY, IF EVERY BABYLON OR ROME WERE RIGHTLY CURSED, IT CANNOT BE WRONG TO DESIRE AND PRAY FROM THE BOTTOM OF ONE’S HEART THAT THE AMERICAN UNION BE SHIVERED TO PIECES.”**

**Fenton John Anthony Hort’s Letters, Vol. 2 p. 458.**

**Professor Anthony Hort, co-worker with Professor Brooke Wescott (both of Cambridge) who created the new Greek Text for the RSV, NIV, NASB, and other contemporary “Bibles” states:**

**“I hate it (slavery) much more for its influence on the whites than on the niggers themselves. Everywhere they have surely shown themselves as an immeasurably inferior race, just human and no more; their highest virtues those of a good Newfoundland dog. I care more for England than all the niggers in the world.”**

**From the Fenton John Anthony Hort’s Letters, Vol. 2 p. 458.**

## **A FEW MORE REASONS TO USE THE KJV**

-  Hort refused to believe in the Trinity.**
-  Hort refused to believe in angles.**
-  Hort confessed he hated democracy in all forms.**
-  Wescott confessed that he was a communist by nature.**
-  Both were involved in cult practices.**
-  Their text was given to the Revision Committee of 1881 and they were sworn to secrecy as to what text they used. They met in secret for 10 years.**
-  The W&H text was released 5 days prior to the *Revised Version*. Scholars had no time to check the accuracy of the Greek Text.**

**I must under God renounce every attachment to the *New American Standard Version* (NASV, NASB). I'm afraid I'm in trouble with the Lord... We laid the groundwork; I wrote the format; I helped interview some of the translators; I sat with the translator; I wrote the Preface... I'm in trouble; I can't refute these arguments; it's wrong, terribly wrong; its frighteningly wrong; and what am I going to do about it.**

**When questions began to reach me, at first I was quite offended... I used to laugh with others... However, in attempting to answer, I began to sense that something was not right about the *New American Standard Version*. I can no longer ignore these criticisms I am hearing and I can't refute them... The deletions are absolutely frightening...there are so many...Are we so naïve that we do not suspect Satanic deception in all of this?**

**Upon investigation, I wrote my very dear friend, Mr.. Lockman (The Lockman Foundation), explaining that I was forced to renounce all attachment to the NASV. The product is grievous to my heart and helps to complicate matters in these already troublous times... I don' want anything to do with it.**

**The finest leaders that we have today...haven't gone into it [the new version's use of a corrupted Greek text], just as I hadn't gone into it... that's how easily one can be deceived... I'm going to talk to him [Dr. George Sweeting, president of Moody Bible Institute] about these things.**

**You can say the *Authorized version* (KJV) is absolutely correct, How correct? 100% correct!... I believe the Spirit of God led the translators of the *Authorized version*. If you must stand against everyone else, stand...**

**Dr. Frank Logsdon**

This is why there is no signature on the Preface page of these Bibles.

Both Wescott & Hort were strong believers in the Evolution Theory, even so far as to hold an appreciation dinner for Charles Darwin at Cambridge University. Wescott & Hort are the men who embrace Evolution and Humanism and re-wrote the Greek text for the new translations we have today. The new science required a new Bible, if you want to change society, you need to change societies' standard. The Revised Standard version was released to the churches only 10 days after the secret Wescott & Hort text was allowed to be seen by anyone other than the publisher. How many examples and testimonies does it take to get someone to believe that the warnings from God in the historically received texts concerning changing the Word of God is prohibited, regardless of what someone else tells you Deut. 12:32. Get the whole counsel of God, learn a few new words if needed, and use the Authorized King James version for your English version of the Holy Bible.

Deuteronomy 12:32 Whatsoever thing I command you, observe to do it; thou shalt not add thereto, nor diminish from it.
